

Come One, Come All Ride Your Bike at New Hampshire International Speedway

Help us celebrate SAFE KIDS Week 2005
"Follow the Leader, Safety Starts With You."

The New Hampshire SAFE KIDS Coalition, Children's Hospital at Dartmouth, and the New Hampshire International Speedway invite you to a one-of-a-kind bike ride around the track in Loudon. Imagine...you will get to pedal your bike on the same track that NASCAR drivers race around! All children **must** be accompanied by an adult caregiver and all participants (kids and adults) must wear a bike helmet. Bike safety checks and educational materials will be made available by The Granite State Bicycling Alliance. Healthy snacks available.

Date: Wednesday, May 25th

Registration: Begins at 5:30 pm

Time: 5:30 - 7:30 pm

Location: NH International Speedway, Loudon, NH

There is no cost for this event although donations to CHaD will be gratefully accepted. For more information and to let us know you are coming contact NH SAFE KIDS at 1-877-783-0432 or e-mail at IPC@dartmouth.edu
